Helping out

Community Impact

Success: Nothing yet

Key achievement:

Planting 11,000 native trees, growing veg, starting a food forest, and overcoming the Irish weather

Challenges and Solutions

Financial challenges: Finding affordable insurance.

Overcoming challenges:

Growing veg in the local clay loam soil is a challenge. We overcame this by layering the compacted soil with cardboard and compost - a variation of the no-dig approach

Innovative solutions:

Using free online courses as a sales funnel

Revenue

Main revenue streams: Pension and permaculture courses and workshops
